

BUDGETARY INFORMATION

The budget crosscut represents the funds self-identified by USGCRP agencies as their expenditures in support of USGCRP research activities. In addition, USGCRP leverages other agency activities not represented in the budget crosscut to accomplish its mission. For example, many of the satellite systems and surface-based observing networks that are foundational to USGCRP research were originally implemented by their sponsoring agencies for operational purposes, and thus typically are not included in the research crosscut.

FY 2021 USGCRP Budget Crosscut by Agency

Funding amounts are shown in millions of dollars (\$M) and are rounded to the nearest millions (totals reflect the rounded sum of the unrounded agency amounts).

Agency	FY 2019 Enacted (M\$)	FY 2020 Enacted (M\$)	FY 2021 President's Budget (M\$)**
Department of Agriculture (USDA)	107	111	101
Department of Commerce (DOC)	293	306	191
Department of Energy (DOE)	259	256	128
Department of Health and Human Services (HHS)	10	10	9
Department of the Interior (DOI)	25	38	10
Department of Transportation (DOT)	0	0	0
Environmental Protection Agency (EPA)	19	18	0
National Aeronautics and Space Administration (NASA)	1,484	1,469	1,252
National Science Foundation (NSF)	246	246	217
Smithsonian Institution (SI)	8	8	8
TOTAL (USGCRP)	2,451	2,461	1,915

***Please note that FY 2021 enacted appropriations differ significantly from the FY 2021 President's Budget provided above. FY 2021 enacted figures will be provided in the FY 2022 edition of this report.*
